ARC's INSPIRE Initiative:

Investing in Recovery-to-Work

The Investments Supporting Partnerships In Recovery Ecosystems (INSPIRE) Initiative is a \$10 million initiative addressing the substance abuse crisis by creating or expanding a recovery ecosystem that will lead to workforce entry or re-entry. Successful projects will support the post-treatment to employment continuum, which could include investments in healthcare networks that support substance abuse recovery professionals, recovery-focused job training programs, as well as initiatives designed to coordinate, or link, recovery services and training that support the recovery ecosystem,
