

# Fourth Annual Isothermal Legislative Gathering

Join IPDC on Feb. 22 at noon for our first *virtual* legislative gathering

Each year, IPDC is proud to host the annual Legislative Gathering, which brings together elected officials (local, state, and federal) to discuss the region's upcoming legislative priorities and goals.

All are welcome to attend this event but we highly encourage our regional municipal staff to register all of their Council and Commission Board members to attend and interact with our elected representatives.

## Register Today!

To register for this event, please [click here](#) or contact Sarah Kopkin, Project Manager, at [skopkin@regionc.org](mailto:skopkin@regionc.org)
